We have a 12 passenger van for the week and will pick you up at the hotel and drop you back of at the end of each day.

Tuesday casual field gear and motion sickness meds. if you are prone to sea sickness, that said it should be pretty smooth sailing. **TUESDAY** a must for closed toed shoes

Wednesday casual field gear with a little social event at the end of the day, if you're concerned about being presentable then go step up from a tee shirt! If you like walking barefoot in the sand bring the sandals.

Thursday management committee meeting, business casual or above if you choose to be dressy. No need for ties gentlemen, (unless you prefer) an oxford is sufficient if you'd rather leave the blazer at home.
